Dear Colonel (Retired) Brenner:

Thank you for your letter; clearly, your goal of ensuring the best care for our Nation's veterans is something that I admire, and I would appreciate more information on "Operation Firing for Effect." My intent is to have the most recent and thorough information on this program for my personal edification.

Again, thank you for your time, and thank you for your efforts to ensure the proper care is afforded to our veterans. I look forward to hearing from you soon.

Respectfully,

ROBERT W. CONE
