Dale Dowling
Operation Firing for Effect
Coordinator and Organizer
44 Fawn Street
Rochester, NY 14622

Dear Mr. Dowling,

As promised, I have drafted letters of support for mandatory healthcare coverage for our veterans, to members of our local federal delegation. I thought the enclosed correspondence would be of interest but, more than that, I wanted to follow-up to assure you that I will continue to advocate for veterans issues in our community.

Our veterans deserve health care they can count on, and we should provide the necessary funding to the VA to ensure that veterans will have good quality health care. I support the prompt passage of guaranteed mandatory health care funding for our nation's veterans and thank you for your dedication to this important cause.

I appreciate your time and energy.

Sincerely,

Robert J. Duffy
Mayor
