I am not affiliated with Jim King for Congress Campaign but believe in Jim King and his stand on issues. As a retired U.S. Navy Capt. with some 26 years service this is the kind of statesmen we need in Washington. We (5 Retired Navy Officers) have pledged to match all \$25 contributions up to \$10,000 to get Jim King elected to the United States Congress.

Please respond to this email on how to contribute or contact Jim King directly.
